

# Your interview story starter.

Choose one real example. Keep the setup brief and focus on the actions you personally took.

**Skill / role requirement this story demonstrates**

---

**Situation: what was happening?**

---

**Task: what were you responsible for?**

---

**Action: what did you do, and why?**

---

**Result: what changed, and what evidence do you have?**

---

**Reflection: what did you learn?**

---
