

# Give the day a simple plan.

Include transitions and a named helper for each part of the day. Confirm venue and guest arrangements separately.

| Time / part of day | What happens / location | Responsible person |
|--------------------|-------------------------|--------------------|
|                    |                         |                    |
|                    |                         |                    |
|                    |                         |                    |
|                    |                         |                    |
|                    |                         |                    |
|                    |                         |                    |
|                    |                         |                    |
|                    |                         |                    |
